

# 19th International Workshop on Next Generation Nucleon Decay and Neutrino Detectors

## NNN18

### November 1-3, 2018

The International Workshop on Next Generation Nucleon Decay and Neutrino Detectors (NNN18) will be held at the Vancouver downtown campus of the University of British Columbia (UBC, Robson Square) November 1-3, 2018.

We will have a parallel session, plenary session, and poster session. We strongly encourage the participation of students and postdocs and will have financial support.

**Satellite open HyperK workshop**  
**October 31 14:00 – 18:00**
